ORDER

ROBERT W. LEHRBURGER, United States Magistrate Judge.

On January 24, 2025, Plaintiff filed a letter to the Court addressing matters such as “malicious hyperlinks” and content missing from his computer that have no connection to the instant case. See Dkt. 266. This is not the first such filing from Plaintiff that contains material having no relevance to the instant action. Plaintiff is reminded that the parties may not file extraneous matter with the Court and that doing so is vexatious and unnecessarily consumes judicial resources. Accordingly, Plaintiff shall not file any material in this case unless it is an application or a response to an application or order that is connected to the instant case.

The Court also reminds Plaintiff that he may benefit from assistance of the **City Bar Justice Center, which can be contacted at 212-626-7873** or through their website citybarjusticecenter.org/contact/.

SO ORDERED.

A handwritten signature in black ink, appearing to read 'R. Lehrburger', with a long horizontal stroke extending to the right.
